The Brunswick Andover, one of our best-selling models, is available in 12' and 14' sizes in Driftwood, Rustic Dark Brown (RDB), and Espresso. The Scoreboard package is recommended on any shuffleboard table Brunswick produces except for the Canton. We have successfully installed a lighting package and score unit on the Canton locally, however, so if you need lighting, we can install it. **2-Piece boards are recommended for difficult installations.** An abacus comes standard with the shuffleboard table and is mounted on the rail. All shuffleboards come with wax and shuffleboard weights (pucks).

The **Brunswick Canton** is one of our most popular tables and is available in 12' & 14' sizes. The pricing grid is shown below. The Canton features iron corner-pieces and iron stretchers running from leg to leg. The finish is Black Forest which is a family-friendly, rustic finish that will stand up to many years of play. We highly recommend lights to create a gaming ambiance for play. **The lighting package, which includes 2 lights mounted to the rails (switches on each light), when purchased with the table is available for \$895, normally \$995.**

Brunswick does not recommend the Scoreboard for the Canton, but there is an abacus built into each end in the rail of the Canton (shown below). The turnbuckle stretchers on this table are solid iron and

the corner castings are made of the same material. The finish is sturdy and will hold up well for many years. We have successfully mounted a scoreboard and lights to this model.

Budget Minded Shuffleboard with Brunswick Quality Built in:

The Brunswick Concord is available for \$5,299 and will be a top-quality table for your family for many years. The difference between this table and the Andover is that the Playfield is 16" wide instead of 20" wide, but it still has the 2.5" thickness and, more importantly, the 1/4" polymerized resin surface that is necessary for proper play. The cabinet is a mix of solid wood and MDF veneers and Brunswick has simplified the design to make it easier to produce thereby saving costs.

Aesthetically, this table comes in the very popular Nutmeg and Chestnut finishes. You can match this shuffleboard with an Allenton to keep a pool table / shuffleboard combination for under \$9,300.

Our prices include white-glove Installation.

The 12' Brunswick Concord (16" wide Playfield): \$5,299

The Bowling pins are \$165 when purchased with the table and \$185 purchased later. Bowling pins are available now. The Accessories below arrive with a new shuffleboard.
