Brunswick Pool Tables In Stock and Quick Ship 2024:

I include the Brunswick game tables I know are in stock in Wisconsin, because I can order them and receive them within 10 business days.

All prices include:

- set-up & delivery in Western Montana,
- New Tables Only: your choice of cloth color in the Championship 4066 cloth (with Teflon),
- and a Standard Accessory Kit in either the Brunswick Standard or Big Sky Billiard's Standard Custom Accessory Kit. You can see the items in the Standard Custom Kit [HERE](#).

The 8' Brunswick Winfield is a new table from Brunswick for 4,395. This Winfield is **available at Brunswick** and has a Nutmeg finish on solid hardwood. Other finishes available are Espresso and Coffee. It comes with the Brunswick Standard Kit & 4066 Championship with Teflon Cloth.

The rails on this table are a large 6" rail system and the sites are done in a pounded copper.

Though this past year has been difficult to get tables into stock, inventory is arriving and we're seeing many more models available. Brunswick is a "make-to-stock" company, so if they have it in Wisconsin, I can have it in Missoula in 10 business days

**AVAIL TO SHIP
FROM BRUNSWICK**

The Brunswick 8' Allenton is \$4,295 (7' is \$3,995). The Allenton is available in Rustic Dark Brown, Tuscana, Espresso, and Driftwood. This table was recently showcased on HGTV as a beautiful, high-quality pool table with a family-friendly price. All models have the tapered leg style except for the Espresso which is available in both the tapered leg and the ball in claw. All models but the Espresso Ball in Claw have a 7' model available.

The primary difference between this table and the Glenwood is that the Glenwood has Cavalier rails where the Allenton's rails are smaller, Antique-style rails and the Glenwood has SuperSpeed cushions where the Allenton has the Centennial cushion. All Brunswick's finishes are tough and made to withstand family play.

The Brunswick Allenton comes with the Brunswick Standard Play Pack and 4066 Championship Cloth with Teflon. Upgrades include substituting the BSBS Custom Standard Accessory Kit for an upcharge of \$150 or the BSBS Custom Premium Kit for \$425.

Available to ship from Brunswick (Espresso 7 listed as "Limited"). No Stock in Missoula.

Price includes the Brunswick Standard Play Pack Accessory Kit

The Brunswick 8' Botanic has been a great seller this year and we're pleased to have several of them in stock in Missoula. The Botanic provides a timber frame, rustic feel without the "rustic table" price.

The 8' Botanic is \$4,695. The Botanic has Centennial cushions with 6" rails and hammered copper sites. If premium cushions are important (i.e., you've got some pool players in the crew), please look at the Glenwood, Canton or Black Wolf Pro. This is a great table for teens, families with limited pool experience in a more casual billiard atmosphere. **The 7' Botanic is now available for \$4,575.**

Available in Dark Charcoal in October

The Brunswick Brae Loch 8' pool table is \$4,675. This table has been one of the Brunswick favorites for many years. Originally called the Danbury, the inlay has always been one of the reasons customers love the look. Brunswick has never put the Super-Speed cushions on it, but with such a beautiful table, the Brunswick cushions work nicely. The table comes with 4066 Championship cloth and the Brunswick Standard Play Pack. You can upgrade to the BSBS Custom Kit for \$150. Don't forget the table cover to keep this table looking young. See your Brunswick Play Pack upgrade options [HERE](#) and the BSBS Custom Accessory Kit options [HERE](#).

Brunswick added the hand-hammered metal site to this table when they changed the finish to Nutmeg, which allows it to fit into a more rustic home even though it is an antique-style table.

Glenwood 8' Two Tone w Talon Legs & Shield Pockets \$5,395; 7' model is \$4,795. The Table has Coffee Rails and Matte Black on the cabinet, aprons, and legs. These tables come with the Brunswick Standard Kit (White Box), and Championship 4066 Cloth with Teflon.

Glenwood 8' Two-Tone (Coffee) with Tapered Legs & Shield Pockets: \$5,395; 7' available @ \$4,795. One thing to note is that the Glenwood is the least expensive table in the Brunswick line that comes with the SuperSpeed cushion which ensures that this table will play like a Gold Crown.

“Available” means that it is available to ship from the Brunswick Billiards warehouse in Wisconsin (usually a 10-Day lead time).

“In Stock” means that it is in stock in our storage facility in Missoula.

The **Brunswick 8' Glenwood Tuscana** in both **Tapered and Ball & Claw Legs with Shield Pockets** for **\$5,395**. This is a stunning table. Take a close look at the finish. The Tuscana finish is one of the most popular finishes Brunswick produces. It fits in with a rustic atmosphere as well as a more traditional home.

Olhausen Billiard Tables In Stock and Arriving in Q4 2023 & Q1 2024

Olhausen is a manufacturer that makes all its pool & shuffleboard tables in Portland, TN. Olhausen has always put its best cushion, the Accufast cushion, on all its tables. Any Olhausen table can be made in a 7' model. No drawers are available with these models.

The 8' Americana and the 8' Belmont are our two best-selling models. Made of Tulipwood, the Belmont is available in only Espresso, Fossil Grey, & Cherry and the Americana in Matte Traditional Mahogany. **Both tables are \$3,995** and include set-up and delivery in Western Montana, with the Standard Custom accessory kit. Please see the discussion of Accessory Kits below.

We like to order the Belmont & the Americana with Cavalier rails. Cavalier rails are 5" wide and replace a 2" wide standard rail. We believe that the additional \$110 is well spent to make this table look like a \$5,000 model. The width of the rails makes a table look substantial and are easier to play on.

The Olhausen Belmont in Espresso: \$3,995

We have the Belmont in a 7' Model in Matte Pecan in stock.

We also have an 8' Americana in Matte Fossil Grey **SOLD**

The 8' Olhausen Breckenridge (\$6,995) with a drawer is \$7,795. This table is done in furniture-grade pine with dovetail construction, buffalo nickel sites and it can be ordered with a drawer for cue and ball storage. This is the most popular table sold in the Northwest this year. I will receive my next order of Breckenridge pool tables in the Timber Ridge finish (below) in late January. I will receive several more of the Matte Breckenridge (dark brown) finish in the 8' models in mid-February.

These prices include set-up & delivery in Western Montana. We have a saying that, "your pool table is only as good as the person who sets it up." Pool table set-up is an art and Lance is the most experienced installer in the state.

In Stock Now:

- (2) Breckenridge Matte Breckenridge finish (Left)
- (2) Breckenridge Matte Timber Ridge Finish (Below)

Special Orders:

The Breckenridge One-Piece Wall Rack (Above): \$850

The Breckenridge Floor Rack for Cues (Right): \$995

A matching triangle and bridge are available.

The Breckenridge in Timber Ridge Finish

The 8' Olhausen Innsbruck in Oak w Breckenridge Finish w a Drawer: \$6,995. This is a special order because I bought this table for a customer in Big Sky and loved it. It has a drawer, which is a great addition to this table, solid oak, and has Mother of Pearl Sites (a \$300 upgrade). Normally \$7995, this price includes Set-up, Delivery, Championship Cloth & a Basic Custom Accessory Kit. Upgrades include Simonis Cloth (\$300) and a Premium Accessory Kit (\$350). Add a Conversion Table Tennis top for \$395.

The 8' Olhausen Youngstown in Youngstown Grey with a Drawer is \$8,995: This is a solid Oak table with the popular Fossil Grey Finish (also called the Youngstown finish), iron corner castings, iron cross supports and a storage drawer. Made to fit in the modern home.

The 8' Olhausen Remington in American Maple with a drawer for \$6,450. This table has been one of our favorite models for many years. This table is perfect for the man-cave, cigar room, library-type room and its style will stand the test of time. It comes with a drawer for gun, I mean pool cue storage 😊.

This is the finish on the Remington we have in stock. It is the American Maple on Maple. This is a solid wood table and one of the nicest that Olhausen makes. The table below is shown to demonstrate the drawer, NOT the finish.

SOLD

Prices include a basic accessory kit and your choice of color of Championship 4066 Teflon cloth. I have included a discussion about cloth type and upgrades in a link below. The accessory kits differ between Brunswick and Olhausen, so I've also included the accessory kit information in the links below as well.

The basic Brunswick Accessory kit isn't great, so we have a basic custom-created kit for only an additional \$75, or you can upgrade to the Brunswick Heritage kit, or the Brunswick Centennial Accessory kit. The prices to upgrade to the Brunswick kits differ based on the type of table you purchase (color-coded in the Blog post).

The Olhausen West End has been one of the more popular tables this year. This special finish is Matte Charcoal and the table we have in stock has been ordered with a drawer. Delivered and installed with a BSBS Custom Standard Accessory Kit and 4066 Championship Cloth w Teflon, the 8' model is \$6,500. We also have this in Matte Smoke (lighter Grey) shown below.

The Olhausen West End in Matte Smoke has a drawer and is shown with Grey Simonis Cloth. This table also looks great with Mocha and Camel in The Simonis 860.

We don't have this beautiful table in stock, but I would love to order this new design. The 59" drawer is full-size and this table would be beautiful in any Olhausen finish! Standard finish with drawer, the 8' model is \$8,695. The Laguna comes with Simonis Cloth, a \$350 upgrade included, and the BSBS Standard Accessory kit. The upgrade to the Premium kit is \$250 with the purchase of this table.
